Jesus Has Risen Parties:
March 29, 2018
11:00-11:45 A.M.
Please sign up with your child's teacher to bring items for the party.

CHILDCARE TAX STATEMENTS
Are Available for pickup in the office!

## Special Items:

1) **Sickness: Please do not bring your child to school with a green or yellow running nose, fever, diarrhea, and vomiting within the last 24 hours. This is a sign of illness and you would not want another child causing your child to become ill.**
2) **Change of Clothes:** Please bring your child a change of clothes. This is **SO** important. Accidents involving children's clothes do occur.
3) **Folders: Please be sure to remember to pickup your child's folder on Mondays.**
4) **Name on Clothes, Blankets, and Coats:** Please put your child's name on their belongings.

### Babies Rooms:

**Please do not walk in the Babies/ Toddler's rooms. The teachers will hand your child to you over the door. We want your child to have the cleanest possible area for play.**

### Parent's Corner:

**Punctuality is a Virtue**

**A set schedule for your child helps your child learn the value of punctuality. It also helps cut down the minor disturbances of a "temper Tantrum" when your child know what is coming next in his/her daily schedule. Set up routines and schedules in your house on a day-to-day basis.**

**It is important to have your child here when the class starts. It does interrupt the teacher and the children's lessons to have a child dropped off continually late. The children are focused and then comes a late child into the class, the teacher then has to stop the flow of the class and take care of the late child. Meanwhile the others are waiting and have been distracted by the late child and parent. Please help us to keep the classroom distractions to a minimum.**
